SUBJECT - Sanction for certain additional items of expenditure in respect of the Municipal High School, Krishnarajanagar

---

I have the honour to state that the Deputy Director, Mysore, has recommended that the action of the Management of the School referred to above in having created an additional post of a teacher in grade Rs 40-4-60 from June 1944 and a laboratory attender's post on Rs 15/- per mensem from July 1944 and converted the fixed pay of Rs 20/- per mensem of the clerk into a grade of Rs 20-1-25 may be sanctioned, as there was need for all the above items in view of the increase in the strength of the school resulting in the opening of an additional section of the II year class The resolutions of the Managing Committee of the High School and of the Local Municipal Council agreeing to bear the extra cost involved on account of the additional items under reference are submitted herewith The Secretary of the Managing Committee of the School has reported that the sanctioned scales for the commerce teacher in grade Rs 40-4-60 and the Drawing Master in grade Rs 30-2-40 are not required for the present and that the provision made for them has, therefore, been shown as savings In the circumstances, the present proposals do not involve any extra cost

P T O

I recommend that sanction may be kindly accorded to the conversion of the sanctioned post of the Commerce teacher in grade Rs 40-4-60 into an additional post of a general teacher in the same grade from June 1944, to the creation of an attender's post on Rs 15/- per mensem from July 1944 and to the conversion of the scale of pay of the clerk from Rs 20/- per mensem fixed into a grade of Rs 20-1-25 from July 1944, the extra cost on account of the latter two items being met from the savings out of the sanctioned post of the Drawing Master which has not been utilised
